

REMARKS

The Office Action dated August 27, 2009 has been received and the preceding amendments and following remarks form a full and complete response thereto. No new matter is added.

Response to Objections

Claim 1 was objected to as being unclear, apparently due to improper photocopying. Applicants submit that the listing of claims submitted herewith remedies the photocopy clarity issues of claim 1.

Applicants believe that the application is now in condition for allowance. The Director is authorized to charge any fees or overpayment to Deposit Account No. 02-2135.

Respectfully submitted,

By
